Computer skills Workshop

10th September 2016

With ongoing digital drive in India, Number of people opting the online mode for all type of transactions is expected to double in coming years. Computer proficiency is increasingly essential for relevance in today's computer-driven society. We are committed to continuing to empower youths and girls in this area.

Based on government initiative of Digital India, TIME organized computer skill workshop for students of Fairy Tale convent, kamptee road. The workshop was conducted in the computer lab of the school. The workshop was conducted Dr. Vilas Hazare covering all the basic topics needed to operate computer. The students were provided with a booklet as a guide for operating computer. As a practical lesson students were also asked to do few online operations just to get the complete understanding of the topic.

The event was successfully concluded by the BBA coordinator Prof Carol Rao with a vote of thanks. The event was organized by 40 students of TIME and 3 faculty members.

Day long program conducted on Swachh Bharat

(Ganga Nagar , Nagpur)

20th August 2016

Tirpude Institute of Management Education organized cleanliness drive in Ganga Nagar, Nagpur. The main purpose of the activity was creating awareness among the students regarding Cleanliness and its benefits. This program mainly focused in promoting the Swachh Bharat Abhiyan. Under this program, all the students from under graduation and post-graduation participated. Even teachers were the essential part of this drive. As a part of this Cleanliness Drive students cleaned the roads and areas of Ganga Nagar.

Some of us picked brooms and started their job. Some of the students did the dusting of the roads. And others went to the ground and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. Students also kept dustbins in various corners of the area so that the area is kept clean. After doing this job for two to three hours, they were given refreshment in the form of bananas and apples.

Thereafter our Principal delivered the speech telling us the importance of sanitation. He also honored the sweepers for their noble job. In the end students took oath of keeping home, locality and city clean. It was a unique experience for the students. Students were curious to be the part of this great drive that could have transformed the face of our country forever. Around 110 students and 8 faculty members were happily involved in the activity.

Free Health Check-up in collaboration of Nimbunabai Tirpude Hospital

24th September 2016

The students and faculties of Tirpude Institute of Management education conducted the free health check-up children for nearby locality. The activity was conducted to check the diseases usually caused due to lack of personal hygiene.

The faculty and students of the institute played important role in organising and coordinating at the check-up camp. The student also distributed various reading material to promote awareness regarding the personal hygiene amongst children. They also helped children in case they find it difficult in understanding the material.

Over 7 faculties and 95 students participated in the activity.
