10	Security facilities	30	25	45

## Inferences:

1. Feedback suggests dissatisfaction amongst the alumni for not having a good IT lab with proper amenities like high internet speed, printer, scanner, etc.
2. The feedback also highlights the dissatisfaction related to the library – in relation to the editions of books available and the return policy.
3. They were satisfied with the basic amenities available to them during their course tenure.
4. The feedback suggested that the alumni were very much satisfied with the 'activity based learning' which has helped many students for further placements.
5. They expressed their dissatisfaction towards the security measures, not available in the institute as compared to other colleges.

**Special Remarks:**

1. Increase the number of books (latest editions) and review the return policy of the library.
2. Maintenance & Cleanliness of washrooms and classrooms on a regular basis.
3. More number of interactive sessions to be conducted between Alumni and the Industry experts along with the present batch of students, to know the latest trends going on in the market.
4. The institute should install CCTV cameras for security measures.
