

Yugantar Education Society's
Tirpude Institute of Management Education
Annual Placement Report 2018-19

The placement season kicked off in the month of October in this academic year. The industry scenario was very challenging and competitive. However institute undertook a rigorous Campus Recruitment Training (CRT) program, which enabled the students to face the interview process confidently. Different companies had different parameters for the selection process. Some students opted out of placements to join their family business while maximum students opted for placements. Overall the scenario was promising with students getting placed in various organizations right from big corporate companies to start ups.

Total placements were 102 out of 148 students who opted for placement till date and the process is still on with a likelihood of more placements.

Total number of students who opted out of placements for family business was 9.

Total number of students who opted out of placements for personal reasons was 11.

Total number of students who opted out of placements for higher studies was nil.

Total students who opted out of placements were 20 out of 168.

The average package offered to the students was 3.58 L per annum

Maximum package was 10.8 L per annum and minimum package was 1.8 L per annum.

The total number of companies that recruited the students was 37.

The spectrum of industries include, BFSI, Education, FMCG, Retail, Manufacturing, Banks, Pharmaceuticals, IT, ITES, Real Estate, Logistics, Consultancy, Health Care, Media etc.
