#### **GUIDELINES FOR AUTHORS:**

Only original, unpublished work is sought. The Research Article/Paper must be accompanied by a statement of originality and declaration that it has not been submitted or published elsewhere or in pipeline for publication. TNJBR has the right to reject or seek modification in papers, if these conditions are not met.

The Research Article should adhere to a word limit (not exceeding 10,000 words) and should be preceded by an abstract of around 300 words and a list of key words (6-7 words) about the article. The document should be in Times New Roman Font Size 12 and 1 inch margin.

The document should be in MS Word format only.

## REVIEW PROCESS

The paper submitted will take a maximum of 45 days, from the date of its submission, to complete the review process.

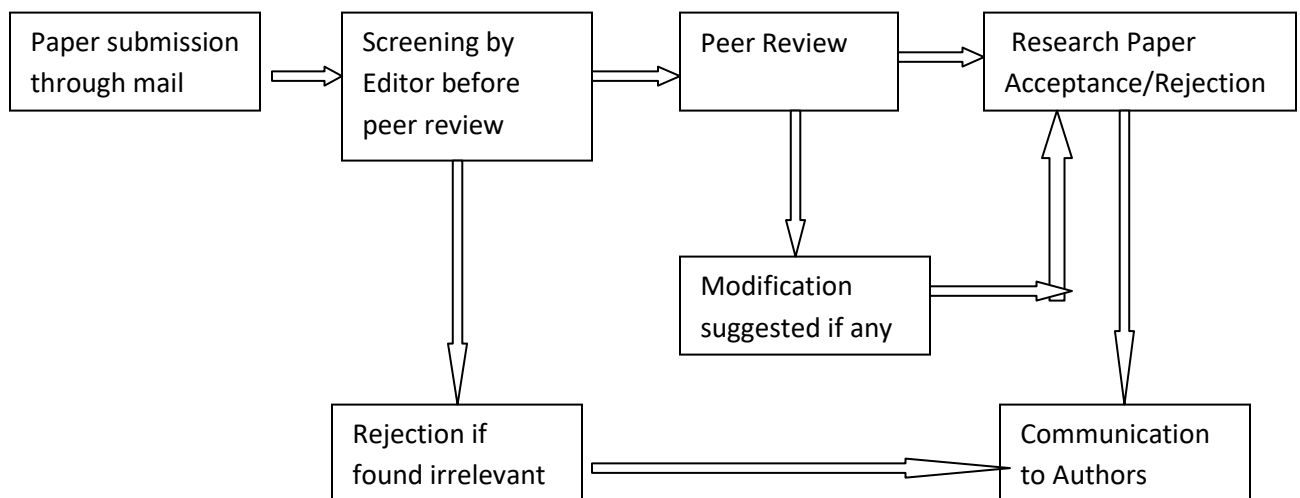

## REVIEW SYSTEM

The TNJBR committee maintains very high standard through two stage review process.

**First stage:** The editorial board first reviews the quality of the paper and relevance of the paper to the respective journal. Based on the recommendation of the editorial board the paper will be accepted or rejected. The author of the rejected paper at this stage has to resubmit the paper. The authors of the accepted paper, by the editorial board, must submit the declaration form and copy right form with in the stipulated time, before sending for blind peer reviews failing which the paper will be rejected.

**Second stage:** Once the editorial board accepted the paper, then the paper will be forwarded for blind peer review to the respective subject experts. The authors will be allowed to do corrections based on the review comments within the stipulated time failing which the paper will be rejected. After modifications suggested the research paper/article/case shall be reviewed and accepted.

## REVIEW PROCESS SUMMARIZED

## **PAPER ACCEPTANCE:**

The final decision on publication is made by the Editor upon recommendation of Editorial Board Members and subject expert Reviewers. If the paper is accepted for publication then it must not be published in any periodical elsewhere without the permission of the editorial board.

Selected paper will be published in the TNJBR journal. The copyrights for the accepted papers will remain with TNJBR.

All citations and references should be mentioned in the article by last name of the author, year of publication and page number where appropriate. References mentioned must appear in an alphabetically ordered list at the end of article. Only references that are actually utilized should be included in the reference list. Tables, illustrations, charts, figures etc. should be serially numbered and duly acknowledged. Sources of data should be given below each table.

Authors are required to resubmit the same paper in the prescribed format at [apotheosis@tirpude.edu.in](mailto:apotheosis@tirpude.edu.in) on acceptance of the full research paper on or before the prescribed date.

## **COPY RIGHT**

Each paper must be accompanied by a statement that it has been neither published nor submitted for publication, in whole or in part, either in a serial, professional journal or as a part in a book which is formally published and made available to the public. For the mutual benefit and protection of authors and publishers it is necessary that the authors provide formal written consent to publish and transfer of copyright before publication of the work.
