MBA Batch 2020-22

## REPORT

### A year with unique challenges

Tirpude Institute of Management Education has continued its legacy of 27 years of nurturing and preparing young industry ready professionals who have made a mark for themselves as well for their alma mater. Leading organizations and brands continued to place their trust and confidence in the institute's unique student driven culture, strong corporate engagement model, and academic rigor. More than 50 organizations participated in the recruitment drive across sectors like Real Estate, BFSI, Consulting, Telecom, FMCG/FMCD, IT/ITES, Retail, among others. This year's placement outcome which was partly conducted in virtual mode due to covid related restrictions is a testimony of our recruiters continued confidence in our institute.
